

June 23 Newsletter

Finally, there is some nicer weather to enjoy playing tennis in!

The Club and Plate Tournaments are well underway and we do hope you can join us for the Finals Day on **Sunday 25th June**. More details will follow soon.

We would like to welcome all the new members that have recently joined the club. There were 32 full adult members that did not renew their membership in April and we have filled these spaces with people from the waiting list. The new members were invited to attend new member sessions which took place on Sunday 14th and 21st May. These sessions covered – club sessions; box leagues; ladders; club tennis balls; floodlights; the booking system etc.....

Centenary Party - Seating Plan

There will be more than enough tables for all, but if you would like to reserve a table for you and your friends in advance, you can now enter names in one of the boxes on the board which has been put up in the clubhouse (up to 10 per table).

If you would like to be next to another table, please make a note in the box.

Centenary Clothing

To help celebrate the Centenary the club is pleased to offer a small range of clothing embroidered with the Centenary logo. These items are being subsidised by the Club and are offered at a good discount to the supplier's full prices.

There is a clothes rail in the clubhouse and on it are samples to show you what is available. The samples will also help you assess the quality and sizing of the goods. There are product sheets showing the available sizes and colours.

Details of how to order are on the leaflet on the clothes rail.

Junior Club Session Change of Timings

This is to let all of our junior members know that when the Junior Club Session starts again after half term there will be a slight change to the timings of the sessions.

The red, orange and green ball session will be from 5.00-6.00pm and the **Yellow Ball session will be from 6.00-7.00pm.**

Please also remember that a parent/carer must stay on MLTC premises if your child is under 13 while they attend the Junior Club Session.

Vets & Supervets

After trialing a different format last year and receiving feedback from members the committee have decided to return to running a Vets and Supervets format. The committee looked at the age demographics for the members and decided that the Vets tournament would be for those aged 50 and above on the day of the finals and the Supervets would be for those 60 and over on the finals day.
