MLTC Group Coaching Programme – Spring 2023

Requesting a place on group coaching

To request a place on the coaching programme please contact our Head Coach, Jorge at munoziorgemartin@yahoo.com or on 07539 045371. If you (or your child) have not attended before then Jorge will discuss your/your child's current tennis level and the most appropriate lesson for you/them, you may also be offered an opportunity to attend the appropriate lesson before booking onto the programme so that you can be sure it's right for you.

After receiving your request for a place on group coaching, Jorge will then inform the Club Administrator which session you will be attending, she will then send you a booking confirmation from the Clubspark system to let you know that your place has been confirmed and the specific dates for that programme. She will then email you at the start of January the total payment required and the payment reference that must be included with your bank transfer. Once you are notified of the amount you need to pay for the spring term you have 14 days to make payment.

If you have not attended group coaching during autumn 2022 please complete the following details and email them to Jorge to request a place on one of the above coaching programmes:

Coaching programme reference number and name

Player Date of birth	
Parent name (if coaching player is 18 or under)	
Address	
Email address (for cancellation notification)	
Mobile number (in case of an emergency)

If you are new to Merrow Tennis Club, then by providing the Club Administrator with the information above you give permission for the information to be added to the Club's membership and coaching system. The system is called Clubspark.
