

# November 23 Newsletter

The sun dance worked and we had a rainbow for the Vets and Super Vets finals that were held on the 5th November.

It was a busy day for Alison Birch and Rob Lambie who were in 3 finals that day and will be playing in the Super Vets mixed final before the end of the year.

# 7th Court

It was great that so many eligible MLTC members took part in the recent vote on the surface for the 7th court. 60% of the vote was for artificial clay and the club also heard around the same time that Guildford Borough Council gave permission for the artificial clay! We are hoping that the court surface on the 7th court will be finished around Christmas time, either just before or just after.
